

S.R. 24/S.R. 12; Asphalt Rehabilitations

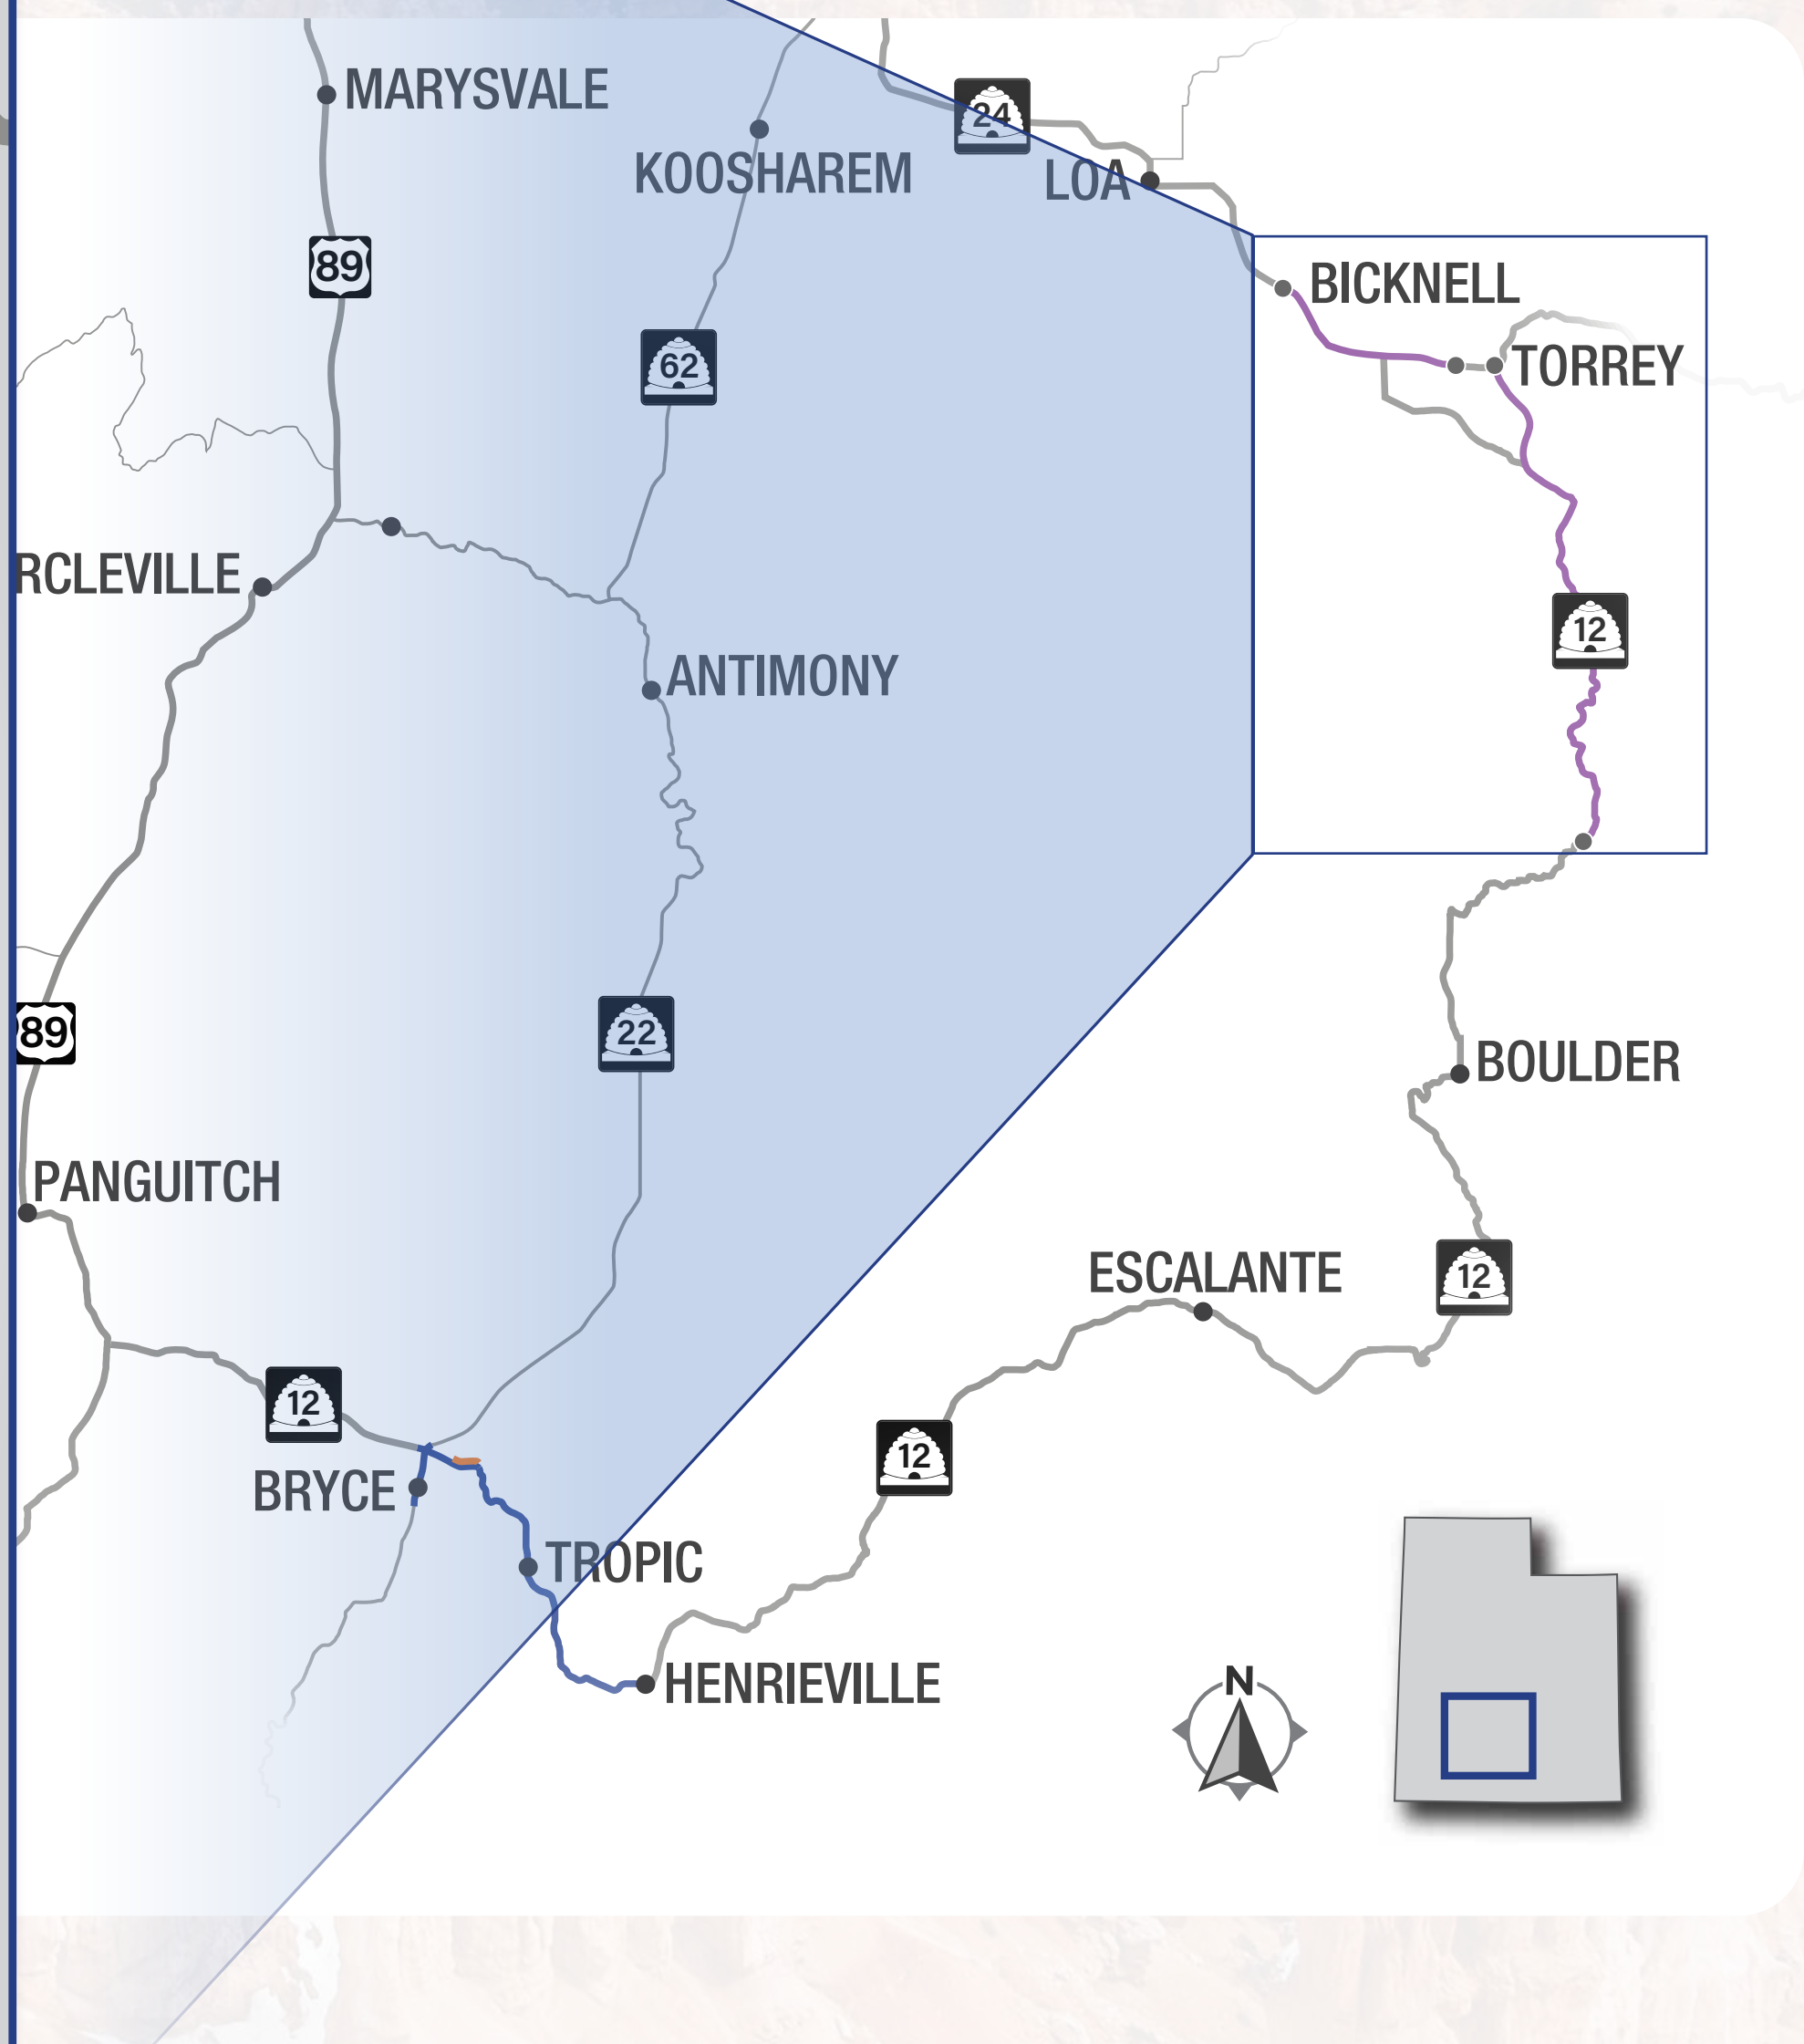

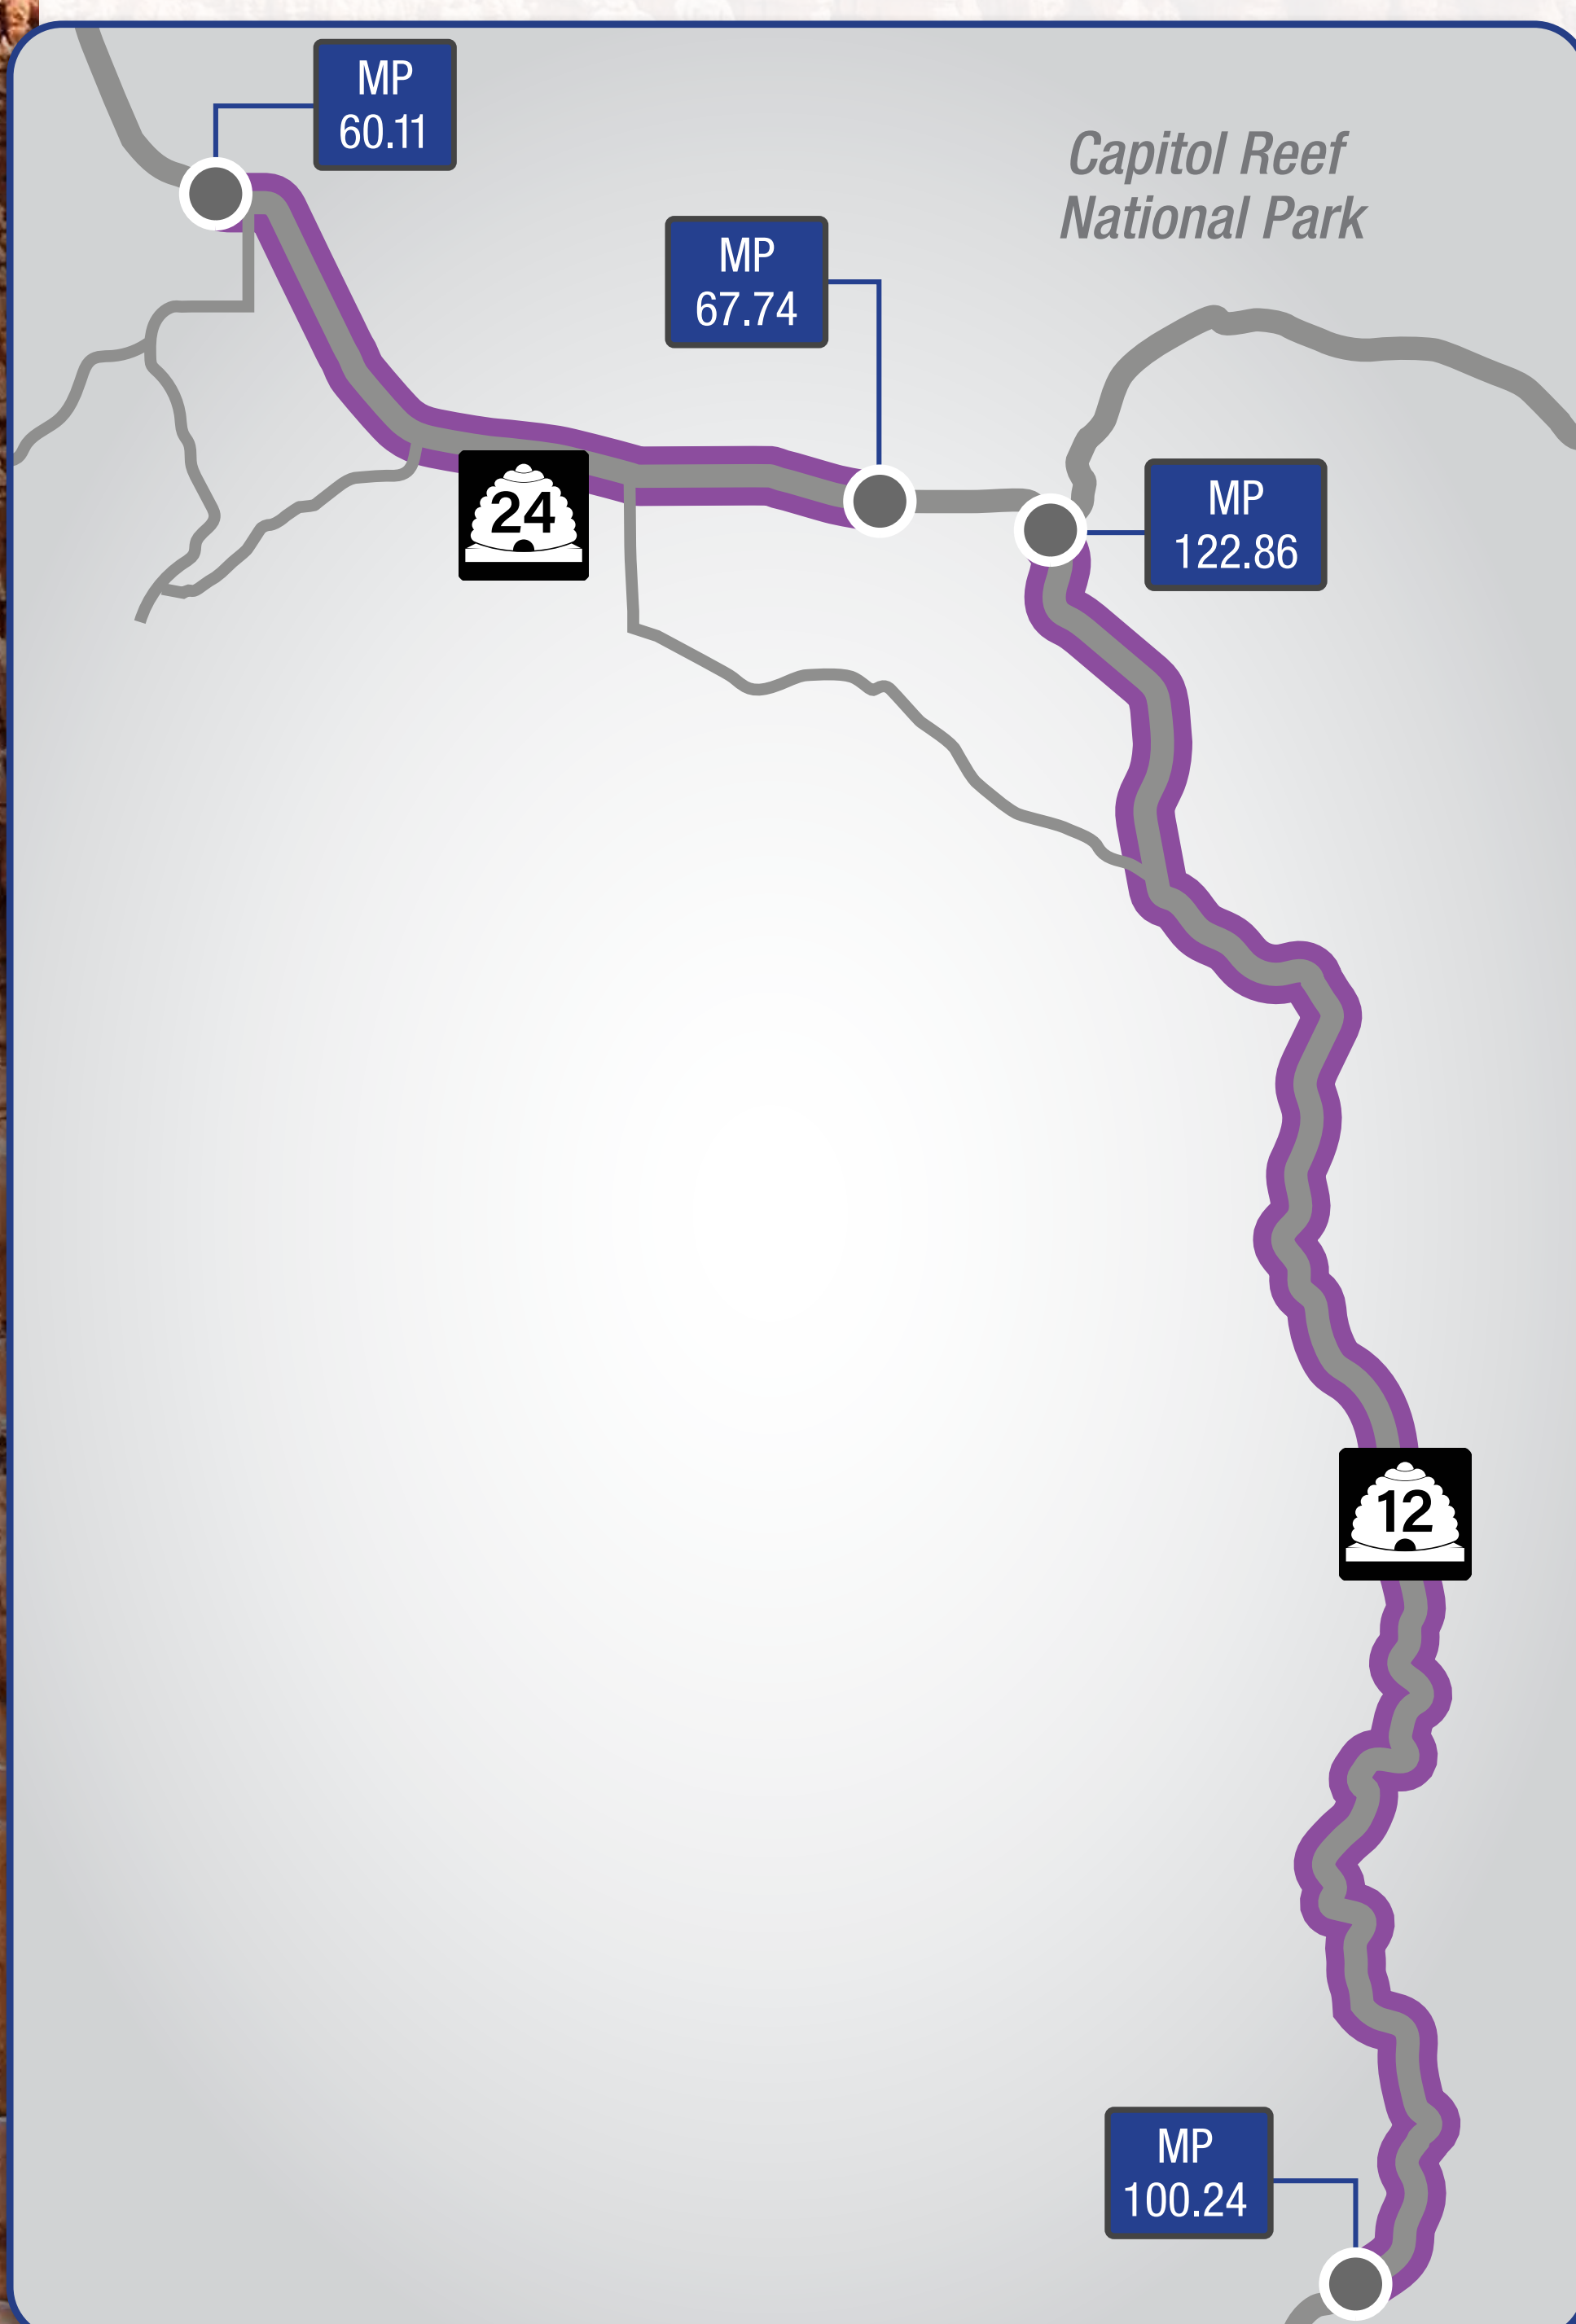

PROJECT OVERVIEW

In October 2020, UDOT started construction on S.R. 24 from Bicknell to Torrey and on S.R. 12 from Torrey to the Indian Bench OHV Trail. This project will extend the life of the roadway and enhance safety by resurfacing S.R. 24/S.R. 12 and upgrading signs and barriers.

When construction resumes in spring 2021, drivers can expect lane closures with alternating traffic led by a pilot car, delays of up to 15 minutes and lane closures as needed. Construction is expected to be completed in early August 2021.

Improvements

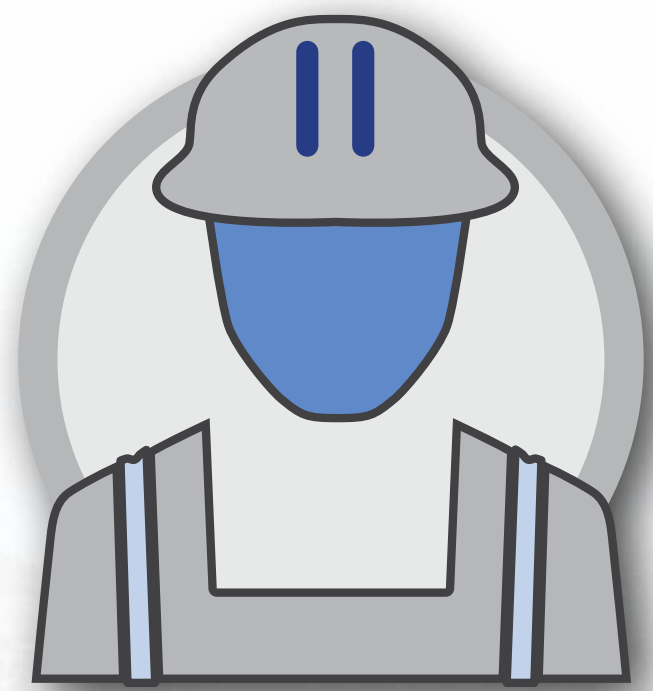

- Rehabilitating 23 miles of pavement
- Upgrading signs and barriers
